

פתרונות RF/MW לשווקי הבטחון והתעשייה

ניוזלטר מס' 3 – דצמבר 2018

DATA LINE PROTECTED

In This Winter

**TIMES Protect
Lightning ®**

**Grounding & Lightning
Protection for Wireless Networks**

RF- DATA LINE PROTECTED

LP-BTR Series

- DC Blocked for Maximum Surge Protection
- Multi-Strike Capability
- Broadband Performance from 20MHz up to 1000MHz
- Exceptional RF Characteristics
- Solid Brass Construction for Durability and Long Life
- Universal Grounding Bracket for Flange or Bulkhead Installations

LAN- DATA LINE PROTECTED

LP-DOE, POE, POE-PT & PAE Data Line Over Voltage Protection

- Tested to RFC2544 extended methods
- Meets Network Equipment Building System (NEBS) Level 3
- Excellent data integrity
- Lowest surge and energy throughput
- Lowest error rate • Shielded enclosure
- IP67 weatherized version available
